Welcome to **T.B.H Building Services**. We are a family run business, so we truly care about our business and our customers.

All photos are of some of our projects completed within the last 4 years by T.B.H Building Services.

**We cover all aspects of building work from minor renovations to complete new builds. Also:**

- **Swimming pools**
- **Extensions**
- **Double glazing**
- **Central Heating**
- **Roofing**
- **Underpinning**
- **External / Internal Insulation**
- **Plumbing and Electrical installations**

**We design, supply and fit all types of walls, fencing and gates**

**See below one of our recent new build projects.**

**Whatever your requirements are, we offer a friendly, honest and reliable service. We work across the whole of Bulgaria. If you have any queries then please feel free to contact us on:**
